PSA Honors and Requirements

GENERAL STATEMENT

PSA honors are awarded in recognition of contribu-tions to the advancement of the art and science of photography. Such contributions take many forms which may generally be divided into those resulting principally from proficiency and achievement and those primarily of a service nature. Since personal achievement alone does not necessarily contribute to the advancement of photography, it does not qualify the candidate unless combined with elements of service.

service.

On the other hand, service may contribute substantially to the advancement of photography, even though the candidate's proficiency in the use of the medium may be limited.

(See Requirements for Honorary Membership and Associateship, Category 11.)

PSA honors are not degrees of membership nor recognition of proficiency alone.

STATUTORY REQUIREMENTS

The candidate must have been an active member in good standing for at least four years before he is eligible for the Associateship.

The Candidate must have been an active member in good standing for at least seven years, and must have held the Associateship for at least two years, before he is eligible or the Fellowship. (This recognizes that the member may have been active for more than four years before receiving the APSA.) It is also presumed that the candidate has been active in photography for a period of at least ten years.

PROPOSER

The proposer must know the candidate personally through close association for a period of time, and must be able to state from his own knowledge the pertinent facts in the record of the candidate; and he must sign the affirmation to this effect which appears upon page one of the application.

CHANGE. In the past it has been presumed that the candidate is unaware of his candidacy. We are all aware that this has been the exception rather than the rule. Moreover, many deserving candidates have been rejected because the proposer lacked adequate information of the candidate's achievements. Therefore, it shall be recognized that the proposer is free to obtain all possible information from the candidate hismself.

ENDORSERS

The proposer shall obtain as endorsers two mem-bers of PSA in good standing as of January 1 of the year in which the proposed honor is to be given, and who are familiar with the work of the candidate. However, the endorsers need not have the intimate knowledge of the candidate presumed on the part of the recovery. However, the knowledge of the proposer.

DEADLINE

CHANGE. In the year 1959 and thereafter the deadine of March 19th shall be strictly enforced! Any application received after that date shall be returned to the proposer. Such applications will not be automatically entered the following year, but must be renewed by the proposer. The past practice of holding up Honors Awards for delinquent applications has laid an unnecessarily heavy load upon the Committee and upon the Headquarters personnel and has resulted in serious delays of the Committee's work.

EVIDENCE IN SUPPORT OF APPLICATIONS

Material evidence of the candidate's proficiency is not generally required, but if found necessary it will be requested by the Committee. Documented evi-dence, however, is required as indicated by the ques-tions on the candidate's record form.

QUALIFICATIONS

The Honorary Fellowship (Hon. FPSA).

The Honorary Fellowship is the highest honor awarded by the Society. It is awarded only for unique or outstanding contributions of major importance to photography. The unanimous approval of the PSA Board are required. The number of living Honorary Fellows is limited to twenty-five. Candidates need not be members of the Society.

The Honorary Mambership is awarded for outstanding service to photography, particularly through organizational or similar work. Proficiency in the use of the photographic medium is not a requirement. It may be recommended by a three-fourths vote of the Honors Committee and requires a three-fourths vote of the PSA Board for approval. Candidates need not be members of the Society.

The Fellowship (FPSA).

The Fellowship is awarded for outstanding contributions to the advancement of photography in-

volving a high degree of proficiency and achievement, combined with such elements of service as the dissemination of acquired knowledge by lecturing, judging, instructing, publication of articles, papers, etc. Personal achievement alone does not quality a candidate for this bonor. A three-fourths vote of the Honors Committee is required for the Fellowship. The Associateship (APSA).

The Associateship is awarded for material contributions to the advancement of photography, whether resulting primarily from proficiency and achievement or service alone. As in the case of the Fellowship, achievement must be combined with elements of service. The Associateship may be awarded by a majority vote of the Honors Committee.

INSTRUCTIONS TO THE PROPOSER

Before proposing any candidate consider the responsibility you are assuming, and your duty to the Society which transcends any desire you may have to do a favor for someone.

a. Present all facts in a brief, concise manner, anothing engageration.

a. Present all lacts in a brief, concise manner, avoiding exaggeration.
b. Try to give the Committee a picture of the candidate as a man or a woman as well as a photographer. Do not fill several pages with details of the salon record and leave all other (possibly more pertinent) information to be squeezed into the last few paragraphs.
c. Do not submit any application until and unless

tinent) information to be squeezed into the last few paragraphs.

c. Do not submit any application until and unless you are fully convinced that the candidate's achievements are unquestionably far above average. This will eliminate the great number of applications received each year on behalf of candidates whose records, although truly admirable, are duplicated dozens of times throughout the country.

d. It often happens that there is some member of a club whose merit is so well known and appreciated by many club members that they all approve him for honors. There is no reason why a petition page should not be attached to the record signed by all such members as may wish to sign. The concerted opinion of groups of PSA members, either for or against any candidate has the value of the same number of individual expressions of opinion. The Honors Committee always welcomes sincere opinions expressed by PSA members.

The new Kodak Cavalcade Projector automatically produces professionally smooth slide shows that you can enjoy as part of the audience.

You turn it on...<u>it</u> does the rest! Kodak Cavalcade Projector

Here's the automatic that really does everything . . .

Does all the work; changes slides at 4, 8, or 16 second intervals—without your moving a finger—

Or changes by remote control if you'd rather set your own pace. You can use the remote control button to interrupt the automatic, too, any time you like . . .

Stays reliably in focus, because all slides are stabilized by gentle air-warming before they reach the changer gate—

Never jams, never touches your valuable slides at all, because the CAVALCADE'S unique changer mechanism contacts only the rust-proof steel slide protectors. Even bent or dog-eared slides go through without jamming.

Lets you reverse your slide sequence in mid-magazine run back through one slide, two slides, or all of them repeat any number of times without ever taking the magazine from the projector—

Lets you edit your show as you go—pull out or replace slides that are in wrong, all with a flick of the ejector lever—

There's more, much more. More features...more niceties of styling and construction...more slide-showing satisfactions... than we could ever tell here. Only real way is to see the CAVALCADE first hand—and test it—at your Kodak dealer's.

The trip's worth while.

The Kodak CAVALCADE Projector comes fully equipped—in deluxe leather-textured case, with quick-action shutter that can't lag or flash between slides, with 5-inch Kodak Projection Ektanon Lens, one 40-slide tray, power and remote control cords—for \$149.50, list.

Prices are list and are subject to change without notice.
